

Little ones to
Him belong;
they are weak
but He is
STRONG

SANCTITY OF *Life*

God is the creator, source, and giver of all Life — making Life a very sacred gift. Humans were created in His image and filled with His breath to reflect His glory.

Each precious baby, from the moment of conception in the womb, is a tiny miracle of Life from above. Likewise, an expectant mother and father are equally valued as God's creation.

Our mission at Morning Star is to provide care and support for women, men and their unborn babies — as all lives are from God. It is important to be a voice for the unborn by proclaiming God's truth and love of Jesus Christ to these men and women facing unplanned pregnancies.

With support from churches like yours, Morning Star can provide:

Assistance to women with unexpected pregnancies, including pregnancy confirmation, ultrasounds, counseling, and material support (like diapers, formula, and baby clothes).

A healing ministry for women who have experienced abortion.

Educational presentations in schools and churches about sexual integrity for young people.

On this National Sanctity of Human Life Sunday, join us in praying for each woman and man who walks through our doors. You make a direct impact on the lives of the unborn and the hearts of mothers and fathers with every act of support towards Morning Star.
