SANCTITY
OF
Life
SUNDAY

*For you created my
inmost being;
you knit me together
in my mother's womb.
I praise you because
I am fearfully and
wonderfully made;*

PSALM 139:13-14

Every human person is created by God, knit together in their mother's womb. The life of every mother, every father and every child, born or unborn, is a precious gift.

At Morning Star, we provide Life-affirming help to those facing unplanned pregnancies, meeting families with love, compassion, understanding and truth. At our three clinics, Morning Star provides the medical services and information expectant families need to make informed pregnancy decisions, as well as ongoing support to help families thrive.

With the support of churches like yours, Morning Star is empowering families in our community to make courageous, Life-giving choices.

This Sanctity of Human Life Sunday, we are asking for your prayers and support, so that Morning Star can continue to provide:

Pregnancy medical services, including ultrasounds, to give women accurate medical information about their pregnancies and allow them to see the development of their unborn babies

Counseling to help expectant parents form a plan to have their children

Baby supplies and parenting classes for moms and dads

Abortion pill reversal for women who have started the abortion pill procedure and changed their minds

Healing ministry for women who have experienced abortion

Unfiltered-Truth education in schools to help teens form healthy relationships

Together, we are making a difference for Life in Central PA. Let us pray for a culture in which all people recognize the sanctity of human life, the incredible value of each person, fearfully and wonderfully made by God.
