

Morning Star

Sanctity

OF HUMAN *Life*

SANCTITY OF
Life
SUNDAY

*For I know the plans I have for you,
declares the Lord,
plans for welfare and not for evil,
to give you a future and a hope.*

JEREMIAH 29:11

Every human person is created by God, an expression of His love and a part of His perfect plan. The life of every mother, every father and every child, born or unborn, is a precious and sacred gift.

At Morning Star, we provide Life-affirming help to those facing unplanned pregnancies, meeting families with love, compassion, understanding and truth. At our three clinics, Morning Star provides the medical services and information expectant families need to make informed pregnancy decisions, as well as ongoing support to help families thrive.

With the support of churches like yours, Morning Star is empowering families in our community to make courageous, Life-giving choices.

This Sanctity of Human Life Sunday, we are asking for your prayers and support so that Morning Star can continue to provide:

Pregnancy medical services, including ultrasounds, to give women accurate medical information about their pregnancies and allow them to see the development of their unborn babies

Options counseling to help parents understand their pregnancy options and the risks of abortion

Baby supplies, parenting classes and referrals to community resources for moms and dads

Abortion pill reversal (APR) for women who have started the abortion pill procedure and changed their minds

Healing ministry for women who have experienced abortion

Education program in schools to help teens form healthy relationships

Together, we are making a difference for Life in Central PA. This Sanctity of Human Life Sunday, join us in prayer for a culture in which all people recognize the sanctity of human life. **Let us honor the hope and future of each unborn child, celebrate the incredible value of each person, and rejoice in the plan that God has for each one of our lives.**
