Since 1972, Morning Star has been providing compassionate care and support to women and families unprepared for pregnancy. We offer confidential counseling, pregnancy tests, ultrasounds, community referrals, parenting classes and baby supplies. We also provide testing, treatment and counseling to women with sexually transmitted infections, as well as abortion pill reversal to women who have started the abortion pill procedure and changed their minds. All these services are provided free of cost.

## YOUR INVESTMENT

*Can Make a Life Saving Difference!*

Thank you for supporting Morning Star’s Baby Bottle Blessing Campaign. As always, we ask that you take time as a family to pray for our clients who are facing one of the hardest decisions of their lives, who need the love and hope of Jesus Christ. You can insert a check or bills into the envelope to help minister to the many women, men and families that come to Morning Star. Your gift is an investment in Life, hope, and in the futures of those we serve!

**Thank you for your prayers, investment in this ministry and all you do for Life!**
